Resolvion's Levison On ELFA Panel

Shelton, CT – Michael Levison, CEO of Resolvion, will be speaking at ELFA's 49th Annual Conference - October 24 – 26, 2010 in Boca Raton, Florida. His remarks will focus on strategies for optimizing results from repossession efforts and mitigating the risk of those efforts. Included in his presentation will be a best practices model for managing repossession vendors.

"ELFA is a great forum in which to discuss the current market and the future direction of the industry," says Michael Levison, CEO. "While we are there to be a resource for lenders, we will also learn what they are looking for so we can better serve their needs".
